
ADDENDUM NO. 1

November 25, 2009

TO: ALL PROSPECTIVE RESPONDENTS / PROPOSERS:

The following changes, additions, clarifications, and deletions amend the above captioned Request For Services (“RFS”) and shall become an integral part of the Proposal responses and the subsequent agreement. Please note the contents herein and affix same to the documents you have on hand.

REQUESTS FOR INFORMATION:

Q1: Is this first time this project is out to bid?

A: For this particular project, yes this is the first time.

Q2: Are there any restrictions on days. (Monday through?)?

A: No restrictions on the days, but the work must be done during the nighttime hours after 6 pm and end no later than the following morning before 7 am. In some case based on some business operating after 6 pm, the work time will need to accommodate the business hours and not interfere.

Q3: Water accessibility?

A: Water is accessible via the numerous fire hydrants throughout downtown and it will be the contractors responsibility to set up an account and use a Miami-Dade Water and Sewer floating meter to access the water.

Q4: Do you have a Anticipated amount of use (Frequency)?

A: We are considering a monthly to quarterly schedule for this activity.

Q5: Estimated start date?

A: We will likely start in January, but it will be dependent on the completion date of a sidewalk improvement project the City of Miami is performing that is scheduled to be completed by year end 2009.

Q6: Can you provide a highlighted map of all the areas in detail?

A: Map is attached.

Q7: Are all construction area excluded?

A: Construction areas will be excluded if we start prior to the completion, but it is likely not to start until construction has been completed.

Q8: Are we able to meet with you to go over everything?

A: No meetings will be allowed at this time until after the bids have been submitted and opened. No pre-bid meetings have been advertised.

THIS ADDENDUM IS AN ESSENTIAL PORTION OF THE CONTRACT DOCUMENT AND SHALL BE MADE A PART THEREOF.
