Downtown Miami Concert Series

The DDA Concert Series is back, just in time to enjoy the Fall weather. Can't wait to lay out the blanket at beautiful Bayfront Park and enjoy live entertainment at the park - just me and a couple hundred other Downtowners.

Taking the stage first will be **Suenalo**. Their blend of Afro-Cuban, Latin, R&B, Rock and Hip-Hop will have you on your feet grooving to the sounds.

Closing the show will be **Jahfe** with their roots reggae sound that has been infused with a little Rock, Dub, some Soul and R&B to form a true blend of organic sounds.
