Freebee ride hours extended during Ultra

 **Ultra Music Festival** is set to make history this weekend for being the first major electronic music festival in the country to power a large-scale stage with zero-emission batteries, resulting in no onsite greenhouse gas emissions. ([Ultra](#))

 **The Miami Downtown Development Authority** is offering extended hours for Freebee rides Friday-Sunday to navigate transportation throughout Brickell and downtown during Ultra.

- Friday (9am-1am), Saturday (11:30am-1am) and Sunday (11:30am-10:30pm).
- It also extended its free escorted walks service until 2am Friday-Sunday. Call 305-415-3896 and an ambassador will meet you and walk you to your destination.

 **Local company EMed**, a digital health business that supplies GLP-1 weight loss medications, tapped Tom Brady as its new chief wellness officer. ([South Florida Business Journal](#))

- The announcement came after the company raised \$200 million in its series A funding round and reported a \$2 billion valuation.
