

Miami DDA Launches Interactive 3-D Skyline Map of New Developments

Track the new projects popping up around Miami

BY JOSH BAUMGARD

The Miami Downtown Development Authority [launched an interactive 3-D Skyline Map of the 116 projects](#) either proposed, under construction, or recently completed in the Downtown Miami area, ranging from Brickell to Edgewater.

Click on a highlighted building and a variety of useful information will pop up.

Well done, DDA.

Click [here](#) to play around with it.
